## Education

SEPT. 2019-PRESENT

### **Bachelor of Communications**      **Brigham Young University - Idaho**

I am working towards a degree in Communications with an emphasis on Video Production. I am trained and proficient in several Adobe programs. I have learned ample techniques for leadership and public speaking, as well as several facets of journalism and photography.

---

## Skills

- Proficient in Photoshop, Premiere, Audition, After Effects, and Illustrator.
- Experience in DaVinci Resolve.
- Public speaking.
- Experience in acting and voice acting.
- Proficient in Creative Writing, knows how to write and format a proper script.
- Class experience in all parts of pre-production, production, and post.
- Has a 3<sup>rd</sup> Degree Black Belt.

---

## Experience

MAY 2024-PRESENT

### **American Heritage School Worldwide Studios**      **Lindon City**

I rewrite Middle School curriculum into scripts for videos, targeted to K-5 age students.

JAN 2020-PRESENT

### **Freelance Designer**

I use editing programs to create wedding invitations, baby shower invitations, or any custom orders that a client wants to tell their friends and family.

---

## Activities

I love to write and create. Everything I can experience; I want to write down. I want to convey my voice through my writings, and I love to connect with others through stories.
